

About Mustapha B. Mugisa, CFE (brief)

(Sample speech Read verbatim)

Our Key Note Speaker, Mustapha Mugisa, CFE is the Founder and CEO of Summit Consulting Ltd, a pioneer company in computer forensics, risk and fraud management in Uganda. He is also the founding President of the Association of Certified Fraud Examiners, Uganda Chapter.

Mustapha has helped hundreds of organizations reap profitable rewards that come from effective risk management through embracing change. As a change agent, he has given as many as 120 presentations per year and consulted for many big and small organizations in the areas of forensics, fraud control, strategy and risk management.

You are going to learn the difference between successful institutions and struggling ones. Know the current status of business in Uganda and what needs to be done to take it to the next level. You will get practical skills to grow your institutions and become leaders whom others want to follow.

Ladies and Gentlemen, let's join hands and welcome Mustapha Mugisa.
